## SPARE PARTS CATALOGUE

### Introduction:

This catalog enables to recognize our appliances' main spare parts reading the single exploded views.

### How to look up in our catalogue :

Hereunder we describe the correct method to look up in our catalogue, in order to locate the desired spare part in a quicker and more precise way.

**For Example:** You need the component's code-number of a gasrange with burners 1/1M.

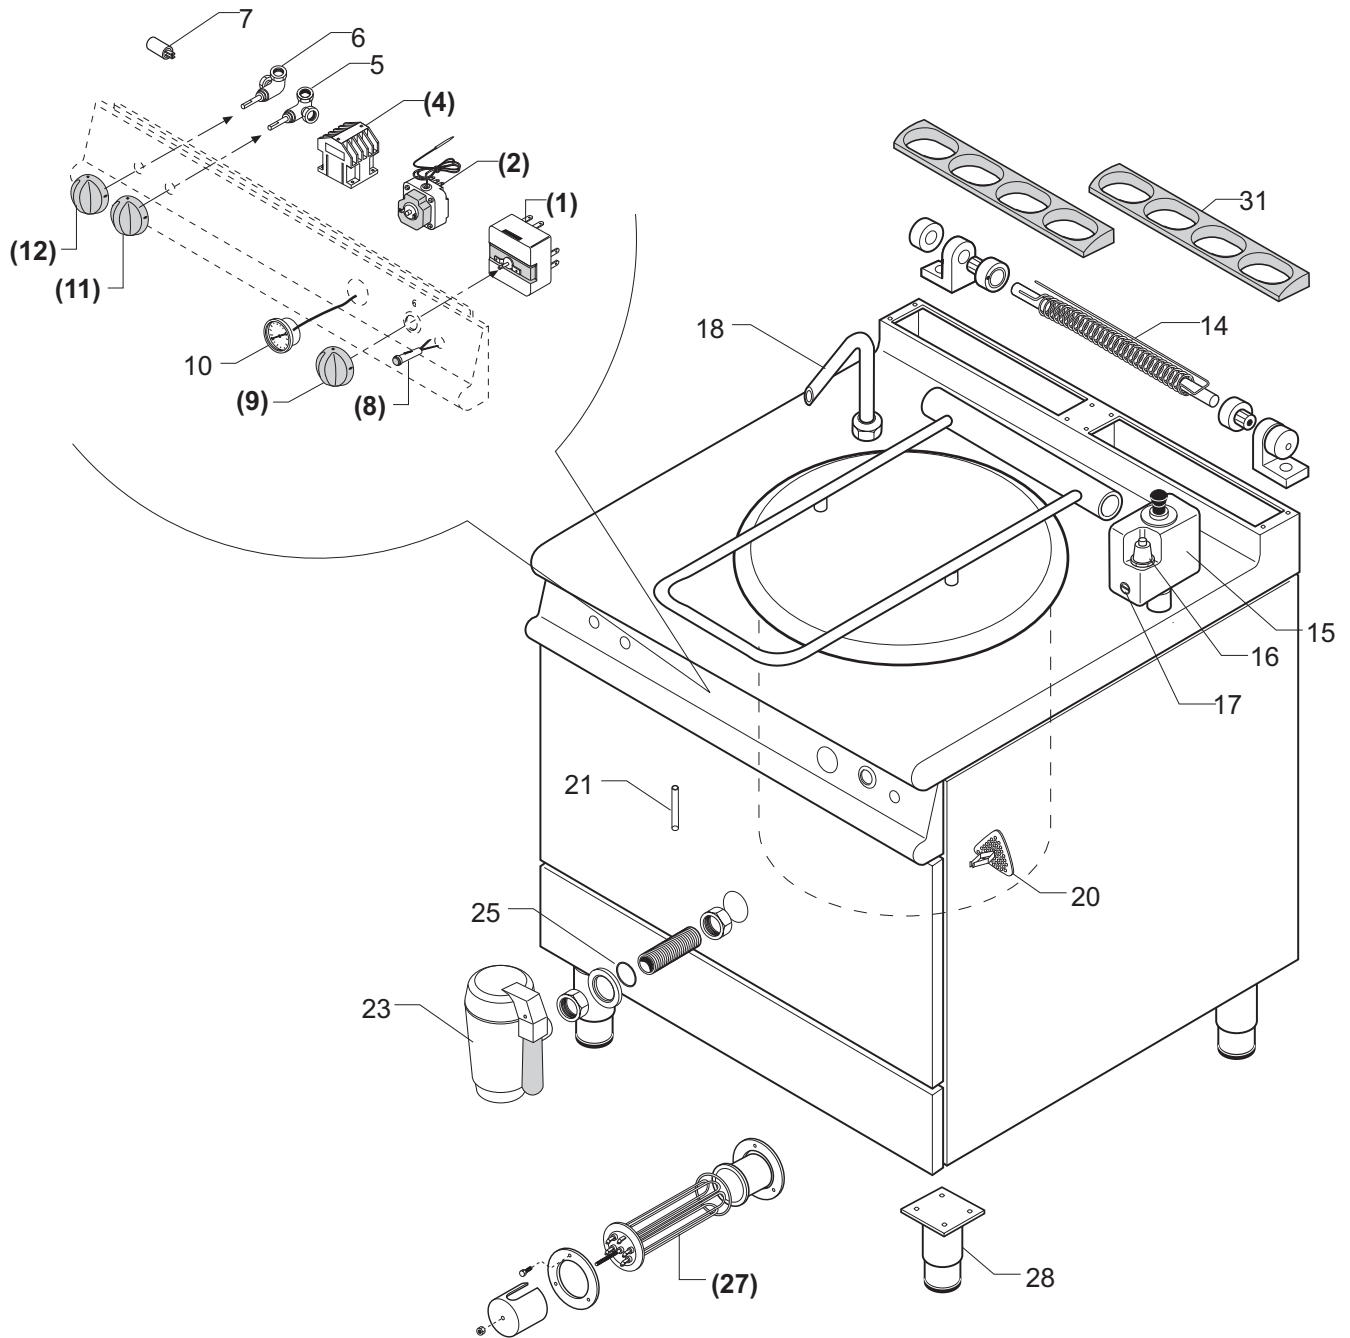

- 1) Find the appliance's model and serial number on the rating plate.  
(The rating plates are positioned in the internal side of the control panel).
- 2) Search for the belonging family in the index (BCPxxx-(0B)) . (f.ex. Gasrange with burners - top 1/1M).
- 3) After you have found the corresponding table you verify if the appliance's serial number is subsequent to that one indicated in the table.
- 4) You locate the desired spare part in the drawing on the left, and find the corresponding position in the table on the right.
- 5) Hence you obtain the codenumber and the description of the spare part you need.

### LEGEND:

| Position on the EXPLODED VIEW |                   |                              | X => Recommended spare part |        |   |  |
|-------------------------------|-------------------|------------------------------|-----------------------------|--------|---|--|
|                               | Article's codenr. | Technical description        | Quantity x each model       | Series | 1/2M => L=40 cm.<br>1/1M => L=80 cm.<br>1+1/2M => L=120 cm. |  |
| Pos                           | Codice            | Descrizione                  |                             | 700    |   |  |
|                               |                   |                              |                             | 1/1M   |   |  |
| 1                             | 822410081         | Medium burner head (Dm.102)  |                             | 1      |   |  |
| 2                             | 822410051         | Medium venturi duct (Dm.102) |                             | 1      |   |  |
| 14                            | 826920140         | Pilot burner                 | x                           | 2      |   |  |
