Alfa é uma nova vitrina para espaços compactos onde a acessibilidade é um factor importante. O seu design adequa-se melhor a lojas de conveniência que necessitam duma vitrina para expor os seus produtos de forma atractiva. Com uma profundidade total de apenas 800 mm, ocupa um espaço muito reduzido, sem contudo perder a área de exposição e a de reserva - que lhe serve de apoio.

Disponível nas versões estática e ventilada, com vidros curvos ou planos.

Alfa is the newest display cabinet, it has been created for compact spaces where accessibility is an important factor. This cabinet design is ideally suited to small convenience stores needing an effective display cabinet to promote products in a more attractive way. The total depth of 800 mm utilizes less space in the shop therefore maximising profits in the minimum of space, whilst, having a display and refrigerated under storage to be used as a support for the display. The fan assisted aspect of the cabinet allows for a more homogeneous temperature in all the display area.

Available with curved glasses, flat glasses, fan assisted and static.

Alfa c'est une nouvelle vitrine pour espaces compactes où l'accessibilité est un facteur important.
